10 Doyle Street is a gorgeous and thoughtfully updated Century home in the heart of Truro. Situated right by Victoria Park, this home is steps from downtown shops and restaurants, the Truro Farmersâ€™ Market, the library and NSCC. This light and bright two-bedroom, one-bath character home features so many upgradesâ€”all the heavy-lifting has already been done. Upgrades include Mitsubishi heat pump, R75 insulation (blown-in, spray foam), metal roof, Cape Cod siding, engineered hardwood upstairs, brand-new luxury vinyl plank kitchen floor, refinished pine floors in the sun porch, new stainless steel fridge, range and range hood, plus plumbing and electrical upgrades. The full-height basement is wired, insulated and drywalled, and includes a workshop area, laundry zone, ample storage and flex space all accessible by a new staircase. The property has a surprisingly large and private backyard, lush garden with deer-resistant, bird- and pollinator-friendly perennials, shrubs and mature treesâ€”even a permanent hammock stand ready for warm summer evenings. 10 Doyle Street also provides easy access to in-town amenities such as hiking, biking, and cross-country ski trails, the sled hill and skateboard park, and recreation and cultural centres.
