2 Bedroom, 1.00 Bathroom, 824 sqft
Residential on 0.04 Acres

2-B, Halifax, NS

Imagine that you could have a sweet pink cottage in the centre of South Street, which you could make into a dream pied-a-terre. This lovely little house is in want of an imagination to bring the best out in its solid bones. This two bedroom house has the potential to be something special; a unique opportunity for someone in need of a smaller house in the bustling South End of the peninsula. Renovation ready, near the corner of Robie in an area of older, larger homes, is looking for an owner with the vision to bring it back or push it forward into its next edition. A great spot for doctors, professors, an investment as your children go through university, or your first start; this is a tiny jewel waiting to be polished.
