Land on 3.25 Acres

N/A, Bucklaw, NS

3.25 ACRES of property with 255 ft+- of accessible BEACHFRONT property on the Bras d'Or Lake. The perfect location for a year-round or summer home, this MacLeod's Point Road property is one of the nicest in the area. The rounded point at the water allows for more waterfront and privacy. With views looking up the bay, towards the Baddeck area, you can see for miles. Imagine the route your boat will take from your own private beach, to explore the Bras d'Or. A driveway had been established and although grown over, the base is there to clear and work with. Property has never been developed and is mostly treed, allowing you the freedom to choose how you'd like to clear. Electric runs by the end of the driveway allowing easy access to power. Jump on this waterfront parcel before it disappears.
