If value for your money is important to you then read on! This beautiful 3 bedroom, 2 Bath end unit townhouse in Colby Village has been renovated from top to bottom. In 2020 the current owner replaced most of the windows, the front and basement doors, flooring on all 3 levels, all appliances, painted and had blown in insulation added. In 2024 the roof was done and 3 heat pumps were installed. You literally just have to move in. There is a sweet deck off the kitchen for barbecues and a good sized backyard for the kids to play with a shed. Everything you need is close by and the elementary school is within walking distance. First time home buyers, this one is a good investment!
