Land on 2.29 Acres

V3, Mount Hanley, NS

Welcome to Arlington Acres, a unique opportunity to own an oversized country building lot with access to an adjoining 50+/- acre nature preserve, where you will have the right to cut trails and enjoy an enormous tract of unspoiled nature, right in your back yard! The preserve features a diverse mix of mature trees (mostly spruce, birch, ash, and maple) and the beginnings of a trail network are in place for your immediate enjoyment. The world-famous Bay of Fundy and several lakes are also right at your doorstep, just moments away. This lot comes with the promise of a thorough tour for the lucky buyer, to the area's best-kept-secret spots such as nearby beaches, trails, waterfalls and fishing spots, straight from the developer who is a lifelong local. For anyone looking to build a home away from the hustle-and-bustle yet close enough to access its conveniences, this location is perfect. Fronting on a paved road with easy access to power, cell service and fibre internet, building here will appeal to many walks of life. An extra-wide driveway culvert is already in place and quick closing is possible - you can begin development immediately. You'll enjoy access to the nature preserve with only a few other lot owners (over time), and this grant can never be revoked. Covenants on the preserve will be in place to protect its sanctity forever. This building lot was fully surveyed in 2023, the lines are easy to walk, and additional lots are available for purchase. Level terrain with mature trees and no large

boulders; believed to have been a farm field many years ago.
