Almost New home located in a totally unique nature setting make this a true gem! This home has the best of worlds- it totally looks and feels like waterfront but without the price tag! Wonderful water views from multiple large southern facing windows, truly brings the outside in! One of the most private home sites we have seen - considering you are located in a well known upscale subdivision just moments to Bridgewater. Two bedrooms with two bathrooms up, and a spare bedroom (or 2) down. Separate media room, good storage and all the technology and energy efficiency you would expect from a newer build. Windows are even triple pane! This place has to be seen!
