2 Bedroom, 1.50 Bathroom, 1,374 sqft

Residential on 1.07 Acres

40-C, Hackett's Cove, NS

Ideally located between Upper Tantallon and the iconic village of Peggy’s Cove, this lovely property sits within easy reach of all the local amenities, while being right at the doorstep to St. Margarets Bay’s beloved ocean playground. With spectacular coastline literally just around the corner, and a vast local wilderness area almost directly across the street, the area is perfect for hikes, ATV rides, beach days and boating alike. Shrouded by a mature forest at the back, the property itself (which is just over an acre, with plenty of space for future outbuildings if desired) is almost perfectly level, with a landscaped yard (including low-maintenance perennial gardens and flowering shrubs) and fantastic neighbours. On stormy days you can look forward to falling asleep to the sound of the waves crashing in the distance, and waking up to the sound of birdsong in this bright house on the edge of your own piece of forest.
