5 Bedroom, 1.50 Bathroom, 2,290 sqft

Residential on 0.95 Acres

E3, Milton, NS

Stunning 4+1 bedroom, 1.5-bath, 2-story home perched on almost a full acre of lush park-like lawns, gardens and mature trees. The back yard is absolutely delightful with its pathways, flowers and garden shed. The interior is just as impressive; with thoughtful and tasteful décor throughout, and immediate evidence of a well-cared-for family home. The main floor layout is open, yet still provides separation of the living spaces that include a sunken living room with a recently installed wood stove & hearth and separate family room that leads to a cozy sun room addition built just two years ago. The spacious dining room will make entertaining a breeze. The kitchen is also large with its own dinette nook to accommodate the busiest of families. Second floor is accented by the lovely curved staircase's woodwork and finds the primary bedroom plus 3 others, main bath and laundry room. The walk-out basement is fully insulated and home to a 5th bedroom, or home office / den. However, the workshop is the real stand-out feature on this level. There is a significant list of improvements & features on file, but notables include 200 amp breakers, complete interior painting within the last year / exterior 5 yrs, and a private sauna in a separate outbuilding that is wired and equipped with a wood stove. Additional 23 x 10 shed for garden tools & additional storage. Minutes from downtown Liverpool, all amenities and Hwy 103.
