This large 17.6 acre property with 202 feet of lake frontage is situated on the absolutely beautiful and serene Tupper Lake. Traveling down the well maintained private Sand Cove Road, youâ€™ll emerge onto a unique little causeway and be greeted with the propertyâ€™s spectacular lake frontage on your right. The lot is conveniently divided into two pieces with Domino Drive intersecting between them. On one side of the road is your beautiful waterfront lot of approximately 1.4 acres filled with mature trees, south facing views, and an excellent building site for a cottage, RV, sauna, or boat house. On the other side of the road stands a much larger sloping wooded hill full of mature forests, lichen-rich boulders and a unique massive natural granite slab. This area is perfect for nature trails, birdwatching, hardwood firewood, or a second building site. There is a power pole on site, the road has year-round access, and friendly quiet neighborhood-feel abounds.
