Wow!! This is what you will be thinking when you see this immaculate home. Great 3 bedroom, 1 bath home with a huge main floor primary bedroom with walk in closet. Great size living room, 2 decent sized bedrooms upstairs, main floor bathroom and step saving kitchen with a door out to the great two tier deck featuring a hot tub and a 27 foot above ground pool for those hot summer days. New heat pump was just installed, basement which has a family room and office has just had blown in insulation added. This home sits on a beautiful landscaped two tier lot with a large deck at the front and side. The driveway is large enough for several vehicles and has a huge shed that could perhaps be used as a garage with a little bit of work.
