This 3 bed/1.5 bath home sits on a quiet cul-de-sac on a huge lot with plenty of backyard to enjoy! A fantastic layout in the home - 3 bedrooms, full bath, huge kitchen and living room all on the main level. Also featuring a family room, a dedicated laundry room, a half bath, and a storage room on the lower level. Everything in this house is ready for move-in, there is nothing left to do. The list of renos is long, but to point out a few - we're sporting a new kitchen with a fantastic amount of storage and counter space, plenty of new flooring, fresh paint, a new propane furnace ('22), new basement windows, and more. Designed and renovated so the next person doesn't have to do any work, this beauty of a family home should definitely be on your list. Adding to all the beauty inside is a paved drive with double car parking, a large storage shed, firepit area, back deck, and it's beautifully landscaped in keeping with the neighbourhood.
