4 Bedroom, 1.50 Bathroom, 1,700 sqft

Residential on 0.22 Acres

#5, New Glasgow, NS

Experience the timeless charm of this exquisite 3-4 bedroom, 2-bath brick house, where luxury meets heritage. Step into a world of elegance spread across two spacious levels and a walkout basement. Nestled on a sprawling property, this home is a masterpiece of character, featuring a propane fireplace insert and grand radiators powered by a high-efficiency boiler. As you approach, a covered front verandah welcomes you, while the beautifully landscaped front yard sets the stage for what awaits inside. Step out to the stamped concrete patio in the large private backyard, perfect for entertaining or relaxing in solitude. This residence has been meticulously updated to enhance its allure, with a new roof, oil tank, and a fully renovated kitchen. The kitchen renovation boasts newer insulated walls, new wiring, flooring, cabinets equipped with a propane stove, dishwasher, and a charming pantry with an island, all complemented by fresh paint. The main level features a renovated half bath for modern convenience, while enchanting details like the original cabinet on the fireplace mantle and intricate carved woodwork add a touch of nostalgia. Be captivated by the unique light at the top of the newel leading the way up the stairs, where beautiful hardwood and softwood flooring guide your path throughout. Top floor laundry room where you can hang your clothes on a line from an upper balcony! The blend of older and modern elements creates a captivating ambiance, with piano windows and

leaded glass French doors that adds to the home's allure. The walkout basement offers versatile rooms for storage, a workshop, or any creative endeavor, preserving the historic charm with remnants of the maid's old stairway. Don't miss the opportunity to own this exceptional piece of history and make it your own.
