Residential on 0.57 Acres

A1, Chester, NS

Tucked Away near the Chester Village—peaceful, private, and full of possibility—this is a home that offers room to grow and a blank canvas for someone to make it truly their own. This well sized 0.63 acre tree-lined lot is situated just a stones throw from Chester's coveted front harbour and walkable to all amenities such as schools, shops, the golf course and skating rink. There is tons of room to entertain inside and outside with the large, covered front porch—the perfect place to relax with friends, enjoy your morning coffee, or gather for drinks. The grand living area is centered around a wood fireplace and the spiral staircase, which is sure to impress. Down the hall, three well-appointed bedrooms, including a primary suite with walk-in closet and private powder room, are located at the back of the house and feel private from the living space. One of the standout features is the upstairs loft—a bright and airy retreat with vaulted ceilings, exposed wood beams, a full bath with shower and a private bedroom. With its own walkout to a deck, this space would make an incredible Primary Suite, guest suite, studio or home office. Outside, a slate stone path guides you from the side entrance with a practical mudroom, powder room and pantry storage, to the driveway — an ideal layout for everyday life. A full-height poured concrete basement holds exciting potential for finishing or as a workshop space, and the detached wired garage could easily become more than just

additional storage space. This property is just 5 minutes from Chester’s restaurants, Yacht Club and Playhouse, and only 45 minutes to Halifax and the International Airport. Whether you're looking for a full-time home, a weekend retreat, or a multigenerational space with room to adapt and grow, this warm and welcoming house is ready for its next chapter.
