Check out the new photos. Country living with a flair! 13 Onslow Road is located just outside of town but has the access & proximity to everything that an in-town property has! This vintage home has had some amazing upgrades - lifted in 2014, set back on the land, and with a new ICF foundation, much of the original character has been kept but revitalized. The new foundation allowed for the addition of living spaces that you wouldn't even know existed. The two main floors still have original hand-hewn beams, three bedrooms, a full bath, spacious living spaces, a sun-drenched kitchen with new appliances, and yes - even the cast iron kitchen sink is an eye catcher. The lower has in floor heating, an expansive family room with walk out patio doors to the rear yard, a huge laundry/3 pc bath with new dryer and new shower, the fourth bedroom and an office, PLUS an incredible amount of storage. The rear of the property is fully fenced, presents an 18'X12' side sundeck and a 10'X8' shed. Not to be ignored - the 32'X6' covered deck across the front of the house and the beautiful perennial gardens. New municipal sewer line, new well, and (200 Amp) electrical upgrades in 2014, furnace & hot water tank in 2015, new roof in 2019. i can't give you all the details, what would be the fun in that? You really need to discover them for yourselves by arranging a viewing!
