Residential

A1, Chester, NS

In the sought-after community of Chandler's Cove in Chester, this one-level condo is ideally situated at the end of a row of townhomes and enjoys one of the most private backyard settings in the development – a secluded retreat surrounded by mature trees. Inside, the layout flows easily to an open-concept living, dining and kitchen area anchored by tall vaulted ceilings and bright windows that create a sense of space and balance throughout the home. At the opposite end of the unit are two well-appointed bedrooms - a primary bedroom with a 3 piece ensuite and an overhead shaft skylight, and a larger guest bedroom - both with high ceilings and good closet storage. The wide hallway gives easy access to the full bathroom, in-unit laundry, a large office, and to an attached single-car garage which adds everyday convenience with direct entry and extra dry storage space. While the home is ready for some cosmetic updating, it presents a solid opportunity for the next owners to bring their vision to life – whether that means a modern refresh or a cozy seaside-inspired redesign. Chandler's Cove is known for its peaceful atmosphere, friendly neighbours, and proximity to Chester's vibrant village centre where a theatre, golf course, yacht club, restaurants and coffee shops await. This is a rare find in a community where units like this rarely come to market. This condo offers the best of single-level living in one of Chester's most desirable addresses.
